

# Capital District Kiwanis Foundation

## Caring Corner

**April 10 -12, 2015**

Caring Corner is changing!

The new theme for Caring Corner is Gift Baskets

The Directors of the Capital District Kiwanis Foundation would like to invite every Kiwanis Club in the Capital District to participate and donate a theme basket. The August Convention raffled 23 baskets which benefits the 8 Pediatric Trauma Hospitals that we support. Your Foundation Directors would like more baskets with more themes.

**Please contact your Director if you need more information.**
